The 2022 fair saw 15,000 visitors walk through the door and generated \$4.5 million in art sales.**

**Singapore Fair champions a global selection of Singaporean and international exhibitors that is true to the nature of the cosmopolitan market. Unique features at the Creative Hub help visitors connect more to art through hands-on workshops and inspiring talks, and the Arty-Licious Evening charity event is an eagerly awaited event for collectors to socialize and enjoy a Friday night of bespoke arts programs in support of a good cause.**

**Since 2010, the Singapore Fair has been a highlight of the city's art calendar and remains the longest-running international art fair in Singapore. The 16th edition will continue to evolve with a solid selection of 80 local and international, emerging and established exhibitors.**

**There is always excitement and buzz around the Singapore Fair. With a successful and highly targeted public relations and marketing campaign to attract visitors to the show. To delight both first-time buyers and seasoned buyers, applicants are encouraged to submit a variety of works by diverse artists to the fair, as well as new pieces by artists who have previously participated - of course, all at priced between S\$100-15,000, with 75% of artwork priced below S\$7,500.
